

Christmas in Finland

by Taimi Tolvanen

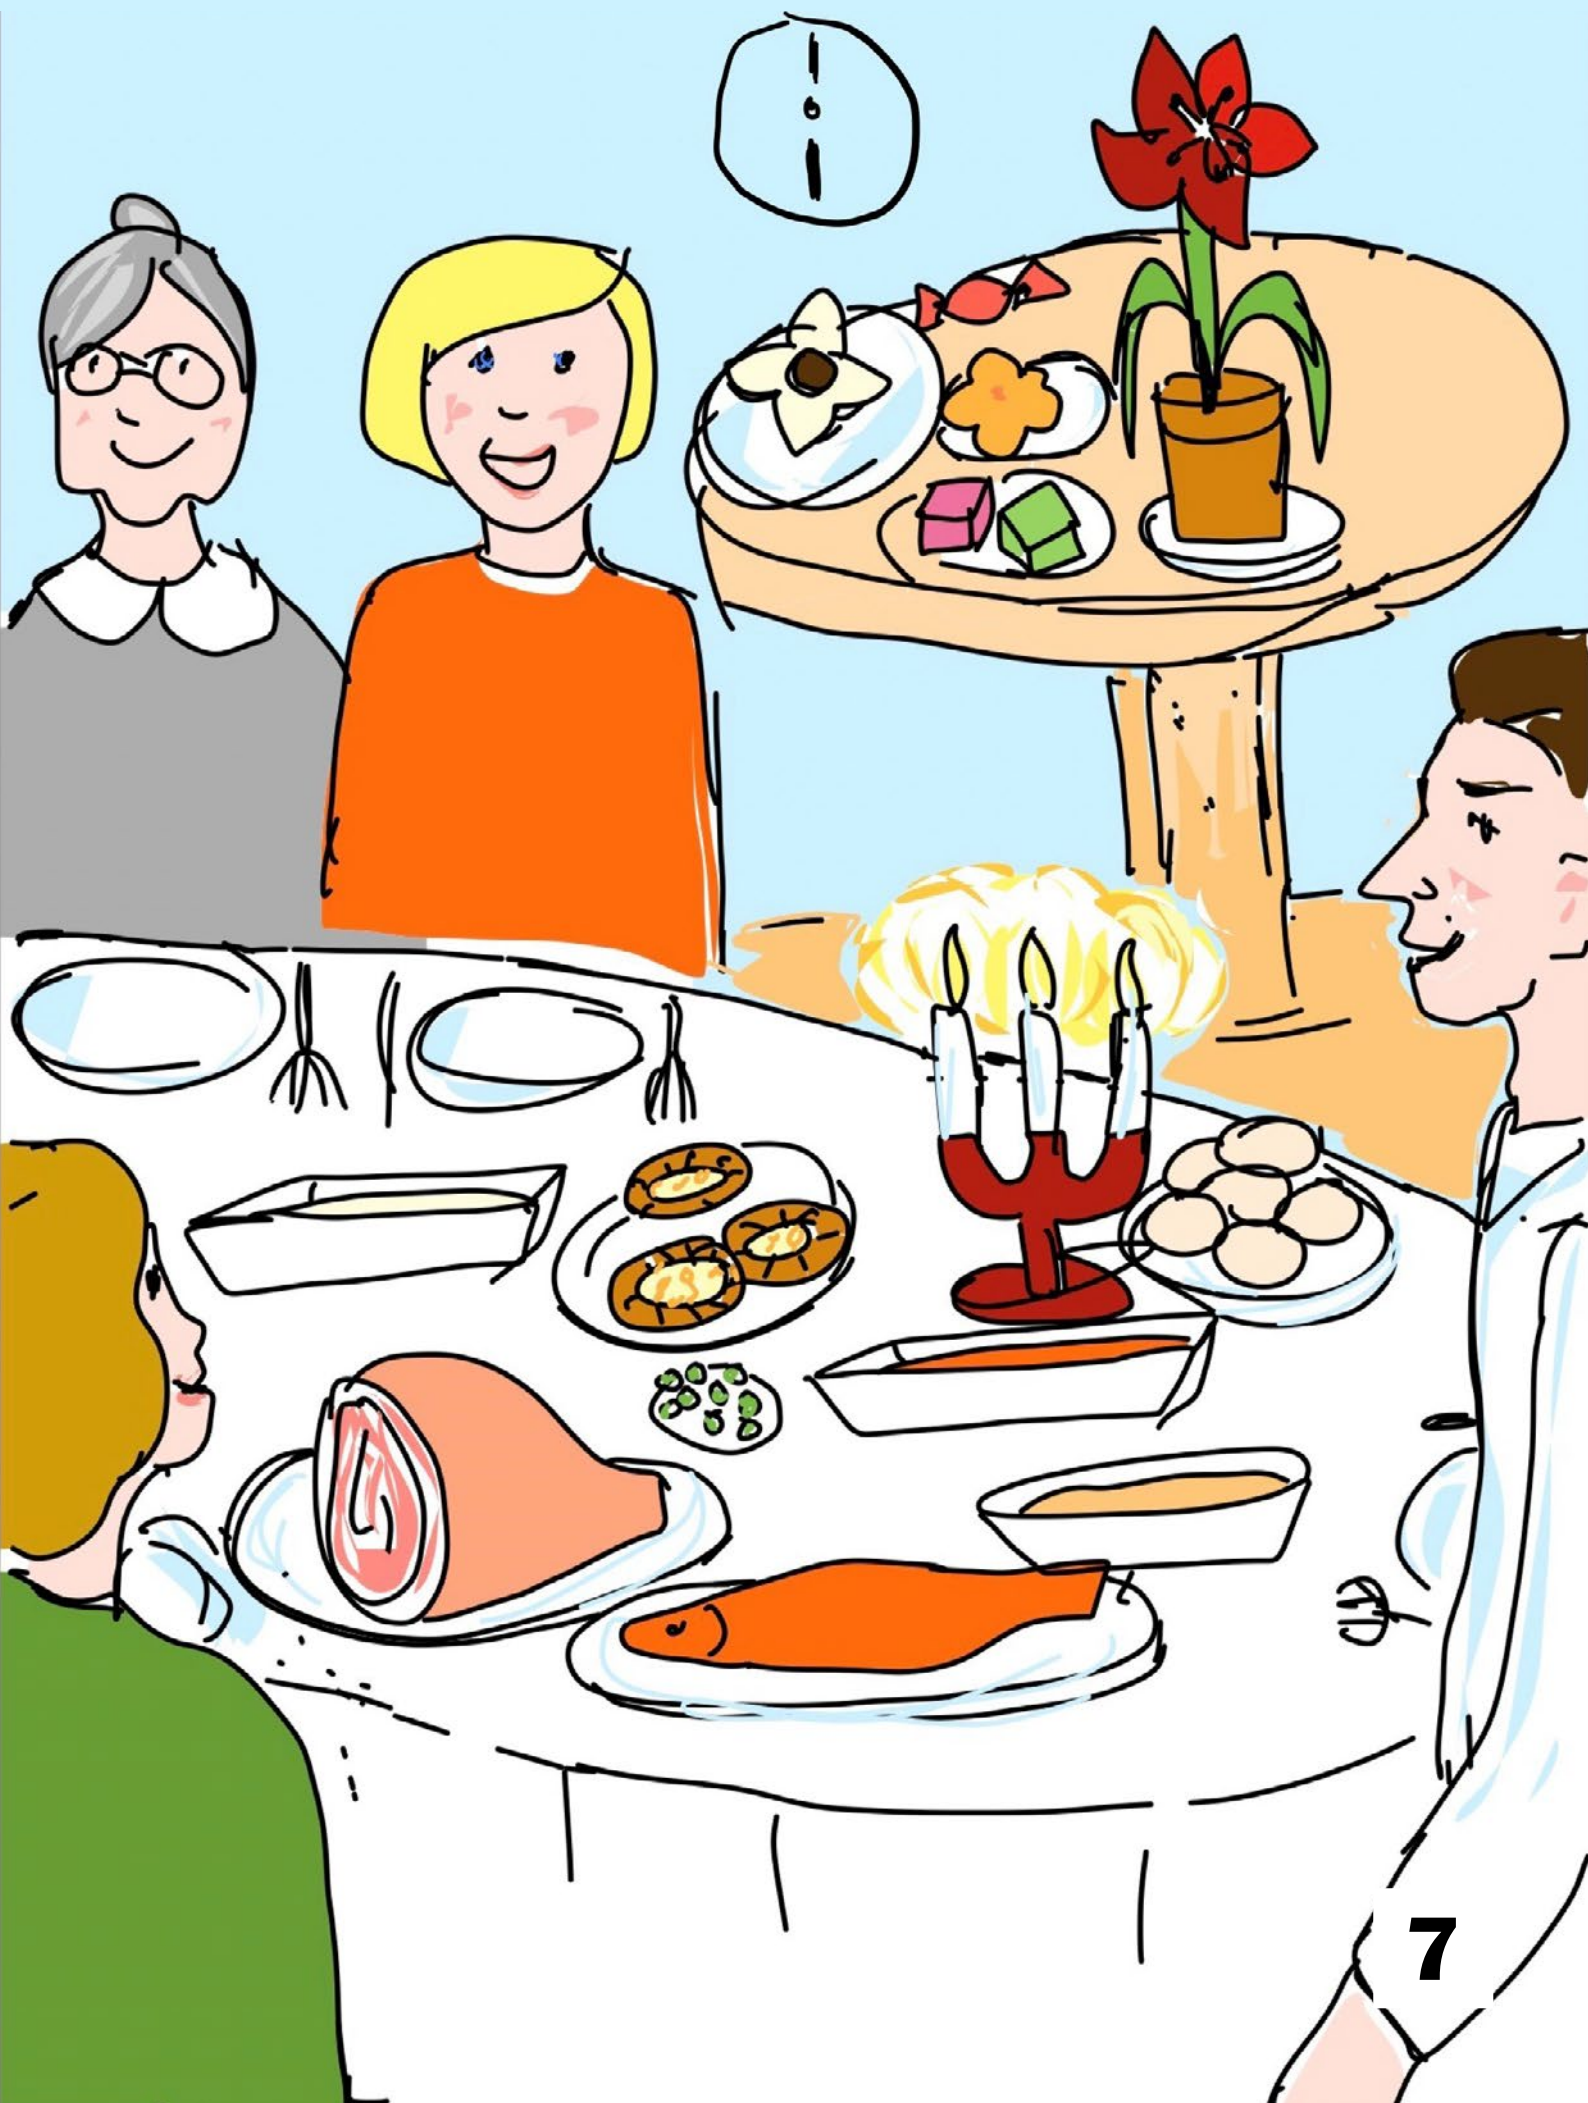

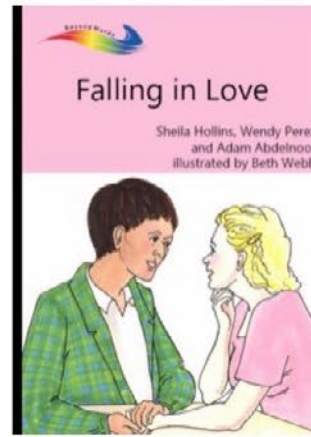

About this story

This story was created by Taimi Tolvanen.

Taimi lives in Finland, and she is a member of Deal International Online Book Club. It is a Beyond Words and Kent Libraries book club.

Taimi joined the club (on videocall) in 2020 when the coronavirus pandemic started, and she has been going ever since.

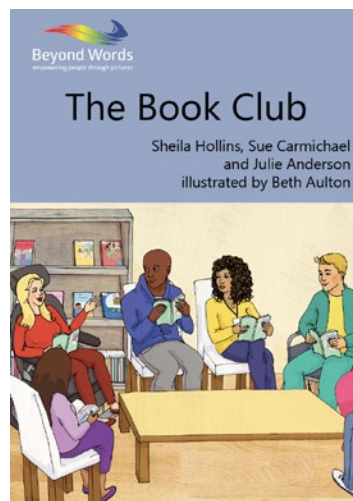

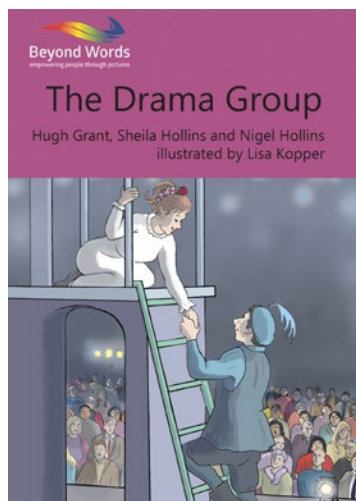

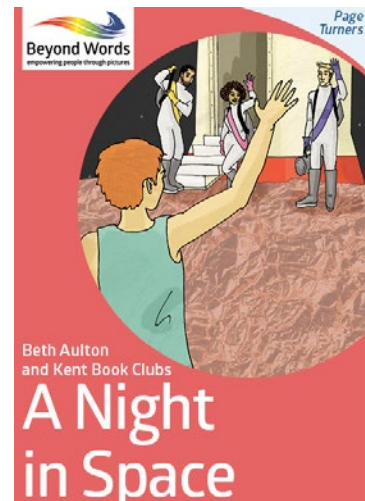

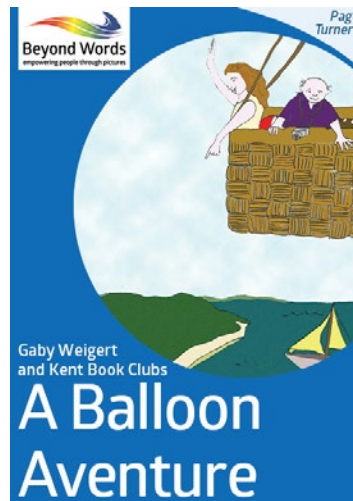

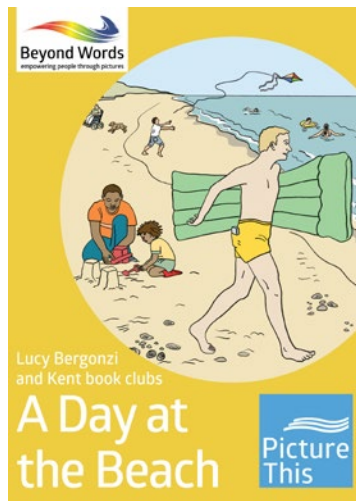

She decided to make a story about Christmas in Finland for their club to read. This is the story she made!

This is a photo of Taimi and her children.
